

# Revolution

[Jim Sturgess](#)

You say you want a revolution  
Well, you know  
We all want to change the worldYou tell me that it's evolution  
Well, you know  
We all want to change the worldBut when you talk about destruction  
Don't you know that you can count me out  
Don't you know it's gonna be all right?  
All right, all rightYou say you got a real solution  
Well, you know  
We'd all love to see the planYou ask me for a contribution  
Well, you know  
We're all doing what we canBut if you want money  
For people with minds that hate  
All I can tell is brother you have to wait  
Don't you know it's gonna be all right?  
All right, all rightYou say you'll change the constitution  
Well, you know  
We all want to change your headYou tell me it's the institution  
Well, you know  
You better free you mind insteadBut if you go carrying pictures of chairman Mao  
You ain't going to make it with anyone anyhow  
Don't you know it's gonna be all right?  
All right, all rightAll right, all right, all right  
All right, all right, all right  
All right, all right!
