[Spoken]R-E-S-P-E-C-T Give yo girl RESPECT (uh)

It's ya girl Ciara

Futuristic

And the Corner Boys

That's right

Listen

[Verse]First of all change, Your tone

Come correct when you talk to me

'cause I am not some old, silly girl that u can mistreat

I have a mind, of my own

And there'll be times when we disagree

But if you're not, in control

Then your just ready to throw it all away

[Hook]Hey now wait a minute baby

See there's no need from u to be this way

'cause I am ur lady

I never thought that you would be soo..

[Chorus]Insecure

Betta watch the way you talk to me

Won't take no more

'cause all I need for you is a little

Respect (uh huh)

Just a little respect (uh huh)

Just a little respect

Just a little bit, hope u handle this

Who u talking to (huh)

[Verse]Don't misunderstand, what I mean

When I say I'm trying to do me

You shouldn't be so unsure

And cause Beef everytime I leave

I do appreciate, everything that you do for me

Try not to suffocate

You need to give your girl some time to breathe

[Hook]Hey now wait a minute baby

See there's no need for u to be this way

'cause I am ur lady

I never thought that you would be soo..

[Chorus]Insecure  
Betta watch the way you talk to me  
Won't take no more  
'cause all I need from you is a little  
Respect (uh huh)  
Just a little respect (uh huh)  
Just a little respect  
Just a little bit, hope u handle this  
Who u talking to (huh)  
[Verse]I'm trying (I'm trying)  
My hardest (My hardest)  
To keep you around (hey hey hey)  
When I'm talkin (when I'm talkin)  
Just listen (Just listen)  
Boy please hear me out (hey hey hey)  
The problems (the problems)  
I'm solving (I'm solving)  
The best way I know how (oh oh oh)  
The only way to work this out is  
You can't be so..
