

# Once More

## The Orb

Tree grow to new dimensions  
Leaves fall further than before  
TV's blare with the sound of confusion  
Music keeps playing about illusionsThere are so many tomorrows  
That I'm never sure  
Until, my love  
You're mine once moreTree grow to new dimensions  
Leaves fall further than before  
TV's blare with the sound of confusion  
Until you're mine, once more
