Photograph

Blue Rodeo

Started out so simple
Everything so innocent and plain
She was in a doorway
And I was walking nowhere down the main
She whispered something softly
And stepped into the light
Can you help me out she said
I'm a little lost tonight
One day love just hits you with a flash
Lights go off around you like some
Photograph
She said her bags were stolen
All they left her was her camera on her arm
She told me she was new in town
Only two weeks off the farm
Why did I believe her
Heaven only knows
She looked into my eyes
And my resolution goes
One day love just hits you with a flash
Leaves you staring blindly like some
Photograph
Pictures of two fools
Laughing at the world
Smiling as only good luck does
Truth is you're not even looking at me girl
All the time I was falling
You kept on stalling
Sizing up how big a fool I was
(repeat bridge)
Woke up in the morning
I didn't think that I had been asleep too long
The room was dark and empty
I could see that all my clothes
And money were gone
I've run out of excuses
And people I can blame
If she ever asked me too
I'd do it all again

One day love just hits you with a flash
Leaves you staring blindly like some
Photograph
