Remember When

The Platters

Remember when I first met you

My lips were so afraid to say, "I love you"Remember when to my surprise

The heaven in my heart leaped into your eyesRemember how much I cried

Tears of joy to think you were mine

Darling, down deep inside

I still feel that feeling divineI loved you then and I still do

I can't remember when I didn't love youRemember how much I cried

Tears of joy to think you were mine

Darling, down deep inside

I still feel that feeling divineI loved you then and I still do

I can't remember when I didn't love you
