

# The Saddest Story Ever Told

## Brer Brian

We used to go out on the summer nights  
And dance in the neon rain  
We used to hold hands at the movie show  
But we'll never hold hands again  
Do, do, do, do come on  
Do, do, do, do come on  
Those days are gone  
You and I were young those summer nights  
You'll see the world diving for a girl  
You'll never find and then we'll quietly grow old  
The saddest story ever told  
Once upon a time we fell in love  
Or at least that's what you said  
You say I can find someone else  
But I just wish I was dead  
Do, do, do, do come on  
Do, do, do, do come on  
Those days are gone  
You and I were young those summer nights  
You'll see the world diving for a girl  
You'll never find and then we'll quietly grow old  
The saddest story ever told
