Auto-Erotic (Fini Tribe Remix)

Front Line Assembly

Understand with reason
Cause their ain't no way of pleasin'Cause the thing that's in effectTurns out to be respectGotta get upGotta get down
Gotta put the fearIn the groundAlso weak in their minds
Also fake, also blindLies and lust and hateIn the end it's too late
All the tears that were weptAll the friendships that were sweptWas it worth it was it swellOnly time and death will tellAnd we reach the final sum
After all is said and doneTake Your heart in Your handAnd alone You will stand
