

Lost Control

Unwritten Law

You're a problem child
You got me running wild
I came to save you, tried to, but I ran for miles I got my breath back now
I'm gonna let you down
It's fame to save you, tried to, but I don't know how You told me
Don't let go, don't let me down
Control is lost, control is lost and I won't be around Don't wanna change you, girl
Don't wanna save the world
Don't wanna blame you for the same things you just handle I guess it's my turn now
I'm gonna shut my mouth
You gonna hate it 'cause this time I won't be around You told me
Don't let go, don't let me down
Control is lost, control is lost and I won't be a You told me
Don't let go, don't let me down
Control is lost, control is lost and I won't be around Ooh now don't let go, don't let me down, down
Ooh now don't let go, don't let me
