

# Dictatorshit

## Sepultura

1964  
Coup d'etat  
Military force  
Hundreds dead Why did they disappear?  
Dictatorshit  
Why did they disappear?  
Dictatorshit 1995  
Spirit still alive  
We still hear the cry  
From the one that survived Why did they disappear?  
Dictatorshit  
Why did they disappear?  
Dictatorshit
