SOLEÄ°L GÄœNEÄž

GÄ¼neÄŸ kaybolmayayÄ±m diye bana Ä±ÄŸÄ±ÄŸÄ±n gerek
Ah kÄ±zÄ±l gÄ¼neÄŸ. sensizliÄŸimi iÄŸine ÄŸek
BilinmezliÄŸine her gÄ¼n alÄ±ÄŸmam iÄŸin
Her bir doÄŸa yasasÄ± yÄ¼z bin kere okunur
Her dÄ¼ÄŸtÄ¼ÄŸmde hatÄ±rlÄ±yorum kanunun yerini
DÄ¼ÄŸmekten hoÄŸlanmayanlara kÄ±zarÄ±m

Ah kÄ±zÄ±l gÄ¼neÄŸ aydÄ±nlat yolumu
GÄ¼neÄŸ YakÄ±p ta iÄŸme yoksulluÄŸumu
Ä°t sÄ¼rÄ¼lerine aÄŸlayanlarÄ± sen de duyuyor musun?
Ä°nsana dokunur acÄ± havlamalarÄ±
Duyuyor musun Ä°t sÄ¼rÄ¼lerine aÄŸlayanlarÄ± ?
Aceleci kokular yÄ¼reÄŸimi yakar biliyor musun?
SusuzluÄŸumuz daha da duyuluyor ÄŸÄ±ÄŸlÄ±klar yÄ¼kseldikÄŸe
Ä°zleri daha belirgenleÄŸtiriyor zincirli mÄ¼hÄ¼rleri

Yine de ÄŸÄŸrendik kor alev Ä¼zerinde dans etmeyi
Yine de ÄŸÄŸrendik silahlarÄ±n gÄŸlgesinde ÄŸarkÄ± sÄŸylemeyi
Yine de ÄŸÄŸrendik kor alev Ä¼zerinde dans etmeyi
Yine de ÄŸÄŸrendik silahlarÄ±n gÄŸlgesinde ÄŸarkÄ± sÄŸylemeyi

BÄ±rak karanlÄ±ÄŸÄ±mÄ± bana, ah kÄ±zÄ±l gÄ¼neÄŸ
KÄ±zÄ±l aydÄ±nlÄ±ÄŸÄ±n ÄŸldÄ¼rmekle eÄŸ,

Yine de ÄŸÄŸrendik kor alev Ä¼zerinde dans etmeyi
Yine de ÄŸÄŸrendik silahlarÄ±n gÄŸlgesinde ÄŸarkÄ± sÄŸylemeyi
Yine de ÄŸÄŸrendik kor alev Ä¼zerinde dans etmeyi
Yine de ÄŸÄŸrendik silahlarÄ±n gÄŸlgesinde ÄŸarkÄ± sÄŸylemeyi

Yine de ÄŸÄŸrendik kor alev Ä¼zerinde dans etmeyi

Yine de ÂĖrendik silahlarÂ±n gÂĖlgesinde ÂĖarkÂ± sÂĖylemeyi

SOLEÂ°L SUN

I need your light so that the sun does not disappear
Oh the red sun,absorb my absence
To get used to your obscurity every day
Each law of nature is read a hundred thousand times
I remember the law every time I fell
I get angry at those who don't like falling

Oh the red suni,illuminate my way
Burn the sun and drink my poverty
Do you also hear those who cry on dog flocks?
Painful barking that touches people
Do you hear those who cry at the herds of it?
Hurry smells burn my heart, you know?
Our thirst is heard more and more as screams rise
Chain seals that make the marks more noticeable

Still, we learned how to dance on the flame
Nevertheless, we learned to sing in the shadow of weapons.
Still, we learned how to dance on the flame
Nevertheless, we learned to sing in the shadow of weapons.

Let my darkness go to me, oh the red sun
Spouse of killing the red light,

Still, we learned how to dance on the flame
Nevertheless, we learned to sing in the shadow of weapons.
Still, we learned how to dance on the flame
Nevertheless, we learned to sing in the shadow of weapons.

Still, we learned how to dance on the flame
Nevertheless, we learned to sing in the shadow of weapons.
