Whispered Words

Peter, Paul & Mary

Whispered words and promises we made when we were wed
Thank you, love, for meaning what you said, what you said
Thank you, love, for meaningEach of us is weak and strong but some of us are true
I am blessed to have a friend in you, in you
I am blessed to haveYou never know the worth of friends until your time of need
The way you stood beside me strengthened me, it strengthens me
The way you stood beside meYou never did deserve to know those times so hard to bear
But that's how I found out how much you care, how much you care
That's how I found outIf I ever have the chance, I'll be there for you
To share the rarest gift I ever knew, I ever knew
If you need meWhispered words and promises we made when we were wed
Thank you, love, for meaning what you said, what you said
Thank you, love, for meaning what you said
