

# The Story of Us

Taylor Swift

I used to think one day we'd tell the story of us  
How we met and the sparks flew instantly  
And people would say they're the lucky ones I used to know my place was a spot next to you  
Now I'm searching a room for an empty seat  
'Cause lately I don't even know what page you're on Oh, a simple complication  
Miscommunications lead to fallout  
So many things that I wish you knew  
So many walls that I can't break through Now I'm standing alone in a crowded room  
And we're not speaking  
And I'm dying to know, is it killing you  
Like it's killing me  
yeah...! I don't know what to say since a twist of fate  
When it all broke down  
And the story of us looks a lot like a tragedy now Next chapter How'd we end up this way?  
You see me nervously pulling at my clothes and trying to look busy  
And you're doing your best to avoid me I'm starting to think one day I'll tell the story of us  
How I was losing my mind when I saw you here  
But you held your pride like you should've held me Oh I'm scared to see the ending  
Why are we pretending this is nothing?  
I'd tell you I miss you, but I don't know how  
I've never heard silence quite this loud Now I'm standing alone in a crowded room  
And we're not speaking  
And I'm dying to know, is it killing you  
Like it's killing me I don't know what to say since a twist of fate  
When it all broke down  
And the story of us looks a lot like a tragedy now This is looking like a contest  
Of who can act like they care less  
But I liked it better when you were on my side The battle's in your hands now  
But I would lay my armor down  
If you'd say you'd rather love than fight So many things that you wish I knew  
But the story of us might be ending soon Now I'm standing alone in a crowded room  
And we're not speaking  
And I'm dying to know, is it killing you  
Like it's killing me I don't know what to say since a twist of fate  
When it all broke down  
And the story of us looks a lot like a tragedy now  
Now, now And we're not speaking  
And I'm dying to know, is it killing you  
Like it's killing me? Yeah... And I don't know what to say since a twist of fate

'Cause we're going down  
And the story of us looks a lot like a tragedy nowThe end.
