David Hinds
JAH say now
Unite now
JAH say YeahLet's take a look at situation out there
Nation rise against nation
It was never ever part of JAH plan
We are all one creation
Why there is always so much hate
I wanna know
Let's change before it's all too lateCHORUSSo come along and party
Togetherness for everybody
Come along and party
It's unity for everybody ohLet segregation be a thing of the past
And put the future before us
Where there's a will there is always a way
Together and we'll be victorious woe!
It's time to sip from the cup of peace oh yeah now
Let's strive for racial equalityCHORUSPlease accept my invitation
Leave all weapons at the door
What the hell are we fighting forCHORUSlet us join forces and live as one
Live as one live as one
Peace to mankind under JAH JAH son
JAH JAH son JAH JAH son
let us join forces and live as one
Live as one live as one
Peace to mankind under JAH JAH son
