

Caged Rat

Soul Asylum

Why don't you go home, crawl into your hole
Why don't you go home, spend some time alone
In the corner, I looked across the room
To other corner, I knew I'd be there soon
Caged rat, caged rat
Caged rat, caged rat
Caged rat, caged rat
Rat, caged rat
Caged rat, caged rat
Caged rat, caged rat
Corner, in the corner
In the corner, I looked across the room
I knew I'd be there soon, in the corner
Caged rat, caged rat
Caged rat, caged rat
Caged rat, caged rat
Rat, caged rat
Caged rat, caged rat
Caged rat, caged rat
Why don't you go home, crawl into your hole
Why don't you go home, spend some time alone
From the corner I looked across the room
To the other corner, I knew I'd be there soon
Caged rat, caged rat
Caged rat, caged rat
Caged rat, caged rat
Rat, caged rat
Caged rat, caged rat
Caged rat, caged rat
