Caged Rat

Soul Asylum

Why don't you go home, crawl into your hole
Why don't you go home, spend some time aloneIn the corner, I looked across the room
To other corner, I knew I'd be there soonCaged rat, caged rat

Caged rat, caged rat
Caged rat, caged rat
Rat, caged rat
Caged rat, caged rat

Caged rat, caged ratCorner, in the corner

In the corner, I looked across the room

I knew I'd be there soon, in the cornerCaged rat, caged rat

Caged rat, caged rat Caged rat, caged rat Rat, caged rat

Caged rat, caged rat

Caged rat, caged ratWhy don't you go home, crawl into your hole
Why don't you go home, spend some time aloneFrom the corner I looked across the room
To the other corner, I knew I'd be there soonCaged rat, caged rat

Caged rat, caged rat
Caged rat, caged rat
Rat, caged rat
Caged rat, caged rat
Caged rat, caged rat
