

# Semi-charmed Life

## Four Year Strong

Do-do-do, do-do-do-doo

Do-do-do, do-do-do-doo

Do-do-do, do-do-do-doo

Do-do-do

I'm packed and I'm holding, I'm smiling  
She's living, she's golden, she lives for me  
Says she lives for me

Ovation, her own motivation

She comes 'round and she goes down on me  
And I make her smile like a drug for you  
Do ever what you want to do, coming over you

Keep on smiling what we go through

One stop to the rhythm that divides you  
And I speak to you like the chorus to the verse

Chop another line like a coda with a curse

Come on like a freak show, takes the stage

We give them the games we play, she said

I want something else

To get me through this

Semi-charmed kind of life baby, baby

I want something else

I'm not listening when you say

Goodbye

Do-do-do, do-do-do-doo

Do-do-do, do-do-do-doo

Do-do-do, do-do-do-doo

Do-do-do

The sky was gold, it was rose

I was taking sips of it through my nose

And I wish it could get back there, some place back there

Smiling in the pictures you would take

Doing crystal meth will lift you up until you break

It won't stop, I won't come down

I keep stock with a tick-tock rhythm, a bump for the drop

And then I bumped up, I took the hit that I was given

Then I bumped again, then I bumped again

Said how do I get back there

To the place where I fell asleep inside you?

How do I get myself back to the place

Where you said?  
I want something else  
To get me through this  
Semi-charmed kind of life baby, baby  
I want something else  
I'm not listening when you say  
Goodbye  
I believe in the sand beneath my toes  
The beach gives a feeling, an earthy feeling  
I believe in the faith that grows  
And the four right chords can make me cry  
When I'm with you I feel like I could die  
And that would be all right, all right  
And when the plane came in  
She said she was crashing  
The velvet it rips in the city  
We tripped on the urge to feel alive  
But now I'm struggling to survive  
Those days you were wearing that velvet dress  
You're the priestess I must confess  
Those little red panties, they pass the test  
Slide up around the belly face  
Down on the mattress one  
And you hold me and we are broken  
Still it's all that I want to do, just a little now  
Feel myself head made of the ground  
I'm scared, I'm not coming down, no, no  
And I won't run for my life  
She's got her jaws now locked down in a smile  
But nothing is all right, all right  
And I want something else  
To get me through this life baby  
I want something else  
Not listening when you say  
Goodbye, goodbye, goodbye, goodbye  
Do-do-do, do-do-do-doo  
Do-do-do, do-do-do-doo  
Do-do-do, do-do-do-doo  
The sky was gold, it was rose  
I was taking sips of it through my nose  
And I wish it could get back there, some place back there  
In the place we used to start  
Do-do-do, do-do-do-doo  
Do-do-do, do-do-do-doo  
(I want something else)

Do-do-do, do-do-do-doo
