

Wigwam

Frank Chacksfield Orchestra

[illegible]

I'm coming up
(Coming, coming, coming up)
I'm coming up
(Coming, coming, coming up)
I'm coming up
(Coming, coming, coming up)
I'm coming up
(Coming, coming, coming up)
I'm coming up
(Coming, coming, coming up)
I'm coming up
(Coming, coming, coming up)
I'm coming up
(Coming, coming, coming up)
I'm coming up
(Coming, coming, coming up)
I'm coming up
(Coming, coming, coming up)
I'm coming up
(Coming, coming, coming up)
Coming, coming, coming up
Coming, coming, coming up
Coming, coming, coming up
...
