

# Lifetime

## Jack Savoretti

We will all say goodbye  
But that's alright  
Happens to everyone  
The "alright" part is a lie  
But that's alright  
We tell it to everyone  
If you feel like you're wasting your time  
Waste it if you want to  
The reason does not have to rhyme  
Waste it if you want to

There's only so much you can do in one lifetime  
Take it easy  
There's only so much you can do in one lifetime  
Oh, take it easy

Now the sun is bound to go down  
But that's alright  
It happens every night  
Tomorrow it comes back around  
But that's ok  
It happens everyday

If you feel like you're wasting your time  
Waste it if you want to  
The reason does not have to rhyme  
Waste it if you want to

There's only so much you can do in one lifetime  
Take it easy  
There's only too much you can do in one lifetime  
Oh, take it easy

Waste it if you want (x3)  
There's only so much you can do in one lifetime  
Take it easy  
There's only too much you can do in one lifetime  
Oh, take it easy

There's only so much you can do in one lifetime

Take it easy  
There's only too much you can do in one lifetime  
Oh, take it easy

Take it easy  
Oh, take it easy
