

# Show must go on

## Oceano delle Tempeste

You bought your tickets to the show  
    . all alone  
    taking time I am set to go  
    all I wanna do is go  
    come on let's go  
you worked your ass every day  
    you know is hell to pay  
    your life is a lie  
    I got the key  
    let the music set you free  
    just let it be  
    whatever happens let it go  
    cause the show must go on

    the show must go on  
    you are on the . all around  
cause I came to keep you down  
    gotta change it all .  
    don't you ever let it in  
    don't let it in  
    whatever happens let it go  
    cause the show must go on  
    the show must go on  
there is only one thing that you know  
    whatever happens let it go  
    cause the show must go on  
    the show must go on
