

# Zooropa (John M. Pillin Jr. Remix)

## U2

(What do you want?)  
(What do you want?)Zooropa vorsprung durch technik  
Zooropa be all that you can be  
Be a winner  
Eat to get slimmerZooropa bluer kind of white  
Zooropa it could be yours tonight  
We're mild and green  
And squeaky clean(What do you want?)  
(What do you want?)  
(What do you want?)  
(What do you want?)Zooropa better by design  
Zooropa fly the friendly skies  
Through appliance of science  
We've got that ring of confidenceAnd I have no compass  
And I have no map  
And I have no reasons  
No reasons to get backAnd I have no religion  
And I don't know what's what  
And I don't know the limit  
The limit of what we've gotDon't worry baby, it'll be alright  
You got the right shoes  
To get you through the night  
It's cold outside, but brightly lit  
Skip the subway  
Let's go to the overground  
Get your head out of the mud baby  
Put flowers in the mud baby  
OvergroundNo particular place names  
No particular song  
I've been hiding  
What am I hiding fromDon't worry baby, it's gonna be alright  
Uncertainty can be a guiding light  
I hear voices, ridiculous voices  
Out in the slipstream  
Let's go, let's go overground  
Take your head out of the mud babyShe's gonna dream up  
The world she wants to live in  
She's gonna dream out loud  
She's gonna dream out loud

Dream out loud
