

Once

Blackfield

Want you to know
That I could go anytime
I want you to know Gave me her lips
Gave me her perfect hips
And I slow down
I slow down in love Once I rise inside CHORUS:
Once she would hold me
She was my only
Only true love
Once she had told me
Better hold me
Hold me so long She'll stay all night
She'll be so quiet
And she won't laugh at my jokes Once I rise inside
