

Oye Mamacita

Los Lonely Boys

Oye ruca, you're looking fine
You know I'd really love to make you mine
Would you ever give the time or day? Yeah, baby
Listen to what I wanna to say Te quiero, baby, all night long
You know I'd really love to take you home
But baby, give me time or day, yeah, baby
Listen to what I wanna say
No llores, baby Oye mamacita, que pasa?
No tienes que llorar
Oye mamacita, que pasa?
No tienes que llorar, orale Un besito, baby, is what I need
Baby got me begging please
Oh, chula, give me time or day, yeah
And listen to what I wanna sing
What I'm saying, baby, no llores Oye mamacita, que pasa?
No tienes que llorar
Oye mamacita, que pasa?
No tienes que llorar Oye mamacita, que pasa?
No tienes que llorar
Oye mamacita, que pasa?
No tienes que llorar [Foreign content]
