

# Dust to sand

## Rough Silk

I've lost and loved  
sreamed and cried  
i've seen the devil's face  
and on the other side  
i've seen the rainbow  
i've seen your smile  
i've seen the mountains high  
and i've tried to keep my stylesomeday we'll find - someday we'll know  
someday the blind will see to show  
someday we'll fight someday we'll pray  
somedayall the dreams - all the tears  
all my lies and all my fears  
all the blood - all the pain  
all the friends i've lost in vain  
all the love - all the hate  
all the trust and all the fate  
and when someday i'll reach the end  
lust to ashes - dust to sandi've seen the rise  
i've seen the fall  
i've seen 'em up again  
and higher after all  
i've been the trigger  
i've been a fool  
i've been the last to know  
and i've been a toolsomeday we'll find - someday we'll know  
someday the blind will see to show  
someday we'll fight someday we'll pray  
somedayall the dreams - all the tears  
all my lies and all my fears  
all the blood - all the pain  
all the friends i've lost in vain  
all the love - all the hate  
all the trust and all the fate  
and when someday i'll reach the end  
lust to ashes - dust to sandlust to ashes - dust to sand.....
