She Donâ€™t Want Me No More

Jimmy Reed

My baby told me, she don't want me no mo'
My baby told me, she don't want me no mo'
Girl, you know I love ya, can't stand to see you goWell, I taken ya downtown to the department store
Try ta buy ev'rything, sees on the floor
Now you gonna tell me, you don't want me no mo'
Girl, you know I love ya, can't stand ta see you goI went out last night baby, stayed too late
She said, "You done made yo', last mistake"
She said, "Now there you know, an'I don't want you no mo'
Girl, you know I love you, can't stand to see you go
