

# Try A Little Tenderness

David Sanborn

Oh she may be weary  
Them young girls they do get wearied  
Wearing that same old miniskirt dress  
But when she gets weary  
You try a little tenderness

Oh man that  
Un hunh  
I know shes waiting  
Just anticipating  
The thing that youl never never possess  
No no no  
But while she there waiting

Try just a little bit of tenderness  
Thats all you got to do  
Now it might be a little bit sentimental no  
But she has her greavs and care  
But the soft words they are spoke so gentle  
Yeah yeah yeah  
And it makes it easier to bear  
Oh she wont regret it

No no  
Them young girls they dont forget it  
Love is their whole happiness  
Yeah yeha yeah  
But its all so easy  
All you got to do is try  
Try a little tenderness  
Yeah  
Damn that hart (hard?)

All you got to do is know how to love her  
You've got to  
Hold her  
Squeeze her  
Never leave her  
Now get to her  
Got got got to try a little tenderness

Yeah yeah  
Lord have mercy now

All you got to do is take my advice

You've got to hold her

Don't squeeze her

Never leave her

You've got to hold her

And never

So you got to try a little tenderness

A little tenderness

A little tenderness

A little tenderness

You've got to

Got to got to

You've gotta hold her

Don't squeeze her

Never leaver her

You got

Got got got to

Now now now

Got got got to

Try a little tenderness

Ye
