A Heart Needs a Home

Richard Thompson

I know the way that I feel about you
I'm never gonna run away, I'm never gonna run away
Never knew the way when I lived without you
I'm never gonna run away, I'm never gonna run awayI came to you when no one could hear me
I'm sick and weary of being alone
Empty streets and hungry faces
The world's no place when you're on your own
A heart needs a homeSome people say that I should forget you
But I'm never gonna be a fool, I'm never gonna be a fool
Better life, they say if I'd never met you
But I'm never gonna be a fool, no, I'm never gonna be a foolTongues talk fire and eyes cry rivers
Indian givers, hearts of stone
Paper ships and painted faces
The world's no place when you're on your own
A heart needs a home
