

# My Heart Is Broken

## Whiskeytown

My heart is broken  
My love is gone  
I lay without you  
Your pillow coldI am forsaken  
I can't go on  
My heart is broken  
My love is goneWell, if I hadn't cheated  
While you were gone  
The well that we'd been drinking from  
Wouldn't have dried and turned coldMy days are empty  
My nights are long  
Five cups of coffee  
For the years gone wrongWell, if I hadn't cheated  
While you were gone  
The well that we'd been drinking from  
Wouldn't have dried and turned coldMy days are empty  
My nights are long  
My heart is broken  
My love is goneMy heart is broken  
My love is gone
