

Wish You Would (feat. Verse Simmonds)

Gucci Mane

[Intro:]

Freak freak

Let me be yo freak

Touch my toes

You can have this beat

I like when you bad

'Cause it feel so good

Bring it back

I wish you would

[Chorus: Verse Simmonds]

Freak freak

Let me be yo freak

Touch yo toes

Let me get that beat

I like when you bad

'Cause it feel so good

Bring it back

I wish you would

I wish you would

I wish you would

Bring it back

I wish you would

I wish you would

I wish you would

Bring it back

I wish you would

[Verse 1: Gucci Mane]

Bring it back, bring it back

Pull up in a Vette, jet black

Ass fat, I done met my match

I need a girl in that back with the butterfly tats

Bring it back, bring it back

Pull up in a Vette, jet black

Ass fat, I done met my match

I need a girl in the back with the butterfly tats

Her pants get by, I won't let that

Got a hundred stacks, you respect that

Got a hundred stacks, I regret that

At the strip club where we met at

He a stalker 'cause he desperate
And can't help it, he need to accept
My money suspect, change the subject
But I control the girl like a puppet

[Chorus: Verse Simmons]

Freak freak

Let me be yo freak

Touch yo toes

Let me get that beat

I like when you bad

'Cause it feel so good

Bring it back

I wish you would

I wish you would

I wish you would

Bring it back

I wish you would

I wish you would

I wish you would

Bring it back

I wish you would

[Verse 2: Gucci Mane]

She a nympho so she loved it

Broke up and he loves it

Come to me with that fuck shit,

Get your wig split in public

I met your bitch in Publix

On aisle 9 by the toothpicks

We left there and hit Ruth's Chris

She suck dick like she toothless

Hit Busy Bee's on Tuesdays

I'm Eazy E, I'm ruthless

Hoe deuces and juices

I'm too high, I'm woozy

[Chorus: Verse Simmons]

Freak freak

Let me be yo freak

Touch yo toes

Let me get that beat

I like when you bad

'Cause it feel so good

Bring it back

I wish you would

I wish you would

I wish you would

Bring it back
I wish you would
I wish you would
I wish you would
Bring it back
I wish you would
[Outro:]
Freak freak
Let me be yo freak
Touch my toes
You can have this beat
I like when you bad
'Cause it feel so good
Bring it back
I wish you would
