

Summerboy

Lady Gaga

1, 2, 3 Nowhere,
Yeah we're going nowhere fast
Maybe this time, I'll be yours you'll be mine
Crazy, get your ass in my bed
Baby you'll be, just my summer boyfriend
Summer boy [Chorus]
Let's get lost you can take me home
Somewhere nice we can be alone
Bikini tops, coming off
Don't be sad when the sun goes down
You'll wake up and I'm not around
I've got to go oh, oh, oh, oh, oh
We'll still have the summer after all Sometimes, you might start a fight
But I'm happy pretending we're alright (alright)
Sun glasses, cover up my green eyes
My martini glistens, yeah
While checking out other guys
Summer boy [Chorus] Hey there summer boy
Let's go for a drive
Take me for a ride
Never gonna close our eyes Hey there summer boy
I'm a busy girl
Don't got too much time
Hurry up before I change my mind Hey there summer boy
I'm taking off my heels
Let's go for a run
Have a little summer fun
Have a little summer fun
Summer boy Let's get lost you can take me home
Somewhere nice we can be alone
Bikini tops, poppin' off
Don't be sad when the sun goes down
You'll wake up and I'm not around
You've got to go oh, oh, oh, oh, oh
We'll still have the summer after all Let's get lost you can take me home
Somewhere nice we can be alone
I've got my summer-summer boy Don't be sad when the sun goes down
You'll wake up and I'm not around
I've got my summer-summer boy And we'll still have the summer after all I've got my,

Yes I've got my,
I've got my summer-summer boy.
