

Swallowed in the Sea (Parke Avery Cover)

Coldplay

You cut me down a tree
And brought it back to me
And that's what made me see
Where I was going wrong
You put me on a shelf
And kept me for yourself
I can only blame myself
You can only blame me And I could write a song
A hundred miles long
Well, that's where I belong
And you belong with me And I could write it down
Or spread it all around
Get lost and then get found
Or swallowed in the sea You put me on a line
And hung me out to dry
And darling that's when I
Decided to go to sea You cut me down to size
And opened up my eyes
Made me realize
What I could not see And I could write a book
The one they'll say that shook
The world, and then it took
It took it back from me And I could write it down
Or spread it all around
Get lost and then get found
And you'll come back to me
Not swallowed in the sea Ooh, ooh And I could write a song
A hundred miles long
Well, that's where I belong
And you belong with me The streets you're walking on
A thousand houses long
Well, that's where I belong
And you belong with me Oh what good is it to live
With nothing left to give
Forget but not forgive
Not loving all you see Oh the streets you're walking on
A thousand houses long
Well that's where I belong
And you belong with me

Not swallowed in the sea You belong with me

Not swallowed in the sea

Yeah, you belong with me

Not swallowed in the sea
