

# If The Devil Danced (in Empty Pockets)

[Joe Diffie](#)

Diablo motors had a hell of a sale, downtown yesterday  
Word got around, no money down, take years and years to pay  
When I got there the lot was bare, but the salesman said, "Hold on"  
For a little cash, I gotta two-tone Nash out behind the barn  
If the Devil danced in empty pockets, he'd have a ball  
in mine  
With a nine foot grand, a ten piece band and a twelve girl chorus line  
I'd raise some loot in a three piece suit, give 'em one dance for a dime  
If the Devil Danced in empty pockets, he'd have a ball in mine  
Well, he said, "Friend it ain't the end, let's see  
what I can do  
If you own a home, I've got a loan tailor made for you"  
Then above the racket a voice in my jacket said, "I'll tote the note"  
The Devil made me do it, talked me in to it and that was all she wrote  
If the Devil danced in empty pockets, he'd  
have a ball in mine  
With a nine foot grand, a ten piece band and a twelve girl chorus line  
I'd raise some loot in a three piece suit, give 'em one dance for a dime  
If the Devil Danced in empty pockets, he'd have a ball in mine  
They say debt is a bottomless pit where the Devil  
likes to play  
I'd sell my soul to get out of this hole, but there'd be hell to pay  
If the Devil danced in empty pockets, he'd have  
a ball in mine  
With a nine foot grand, a ten piece band and a twelve girl chorus line  
I'd raise some loot in a three piece suit, give 'em one dance for a dime  
If the Devil Danced in empty pockets, he'd have a ball in mine
