

Empty Streets

DJ Hidden

The city feels clean this time of night
Just empty streets and me walking home
 To clear my head
 And though it came as no surprise
 I'm affected more than I had guessed
 On what was said
 If love's not meant to be
 If the heart's not ready to open
 If we make it I won't see
 It's broken
 If love's not meant to be
 If the heart's not ready to open
 If we make it I won't see
 How it's broken
 How
 It's the quiet time before the dawn
 And I'm half past making sense of it
 Was I wrong?
 Should I think to give it all
 In a world where not much ever seems
 To last long
 If love's not meant to be
 If the heart's not ready to open
 If we make it I won't see
 It's broken
 If love's not meant to be
 If the heart's not ready to open
 If we make it I won't see
 How it's broken
 If love's not meant to be
 If the heart's not ready to open
 If we make it I won't see
 It's broken
 If love's not meant to be
 If the heart's not ready to open
 If we make it I won't see
 How it's broken
 How
 How

How
How
