

# Fare Thee Well

## Frank Black

Got a girl  
Who's long and tall  
She moves her body  
Like a cannon ballFare thee well, oh honey  
Fare thee wellIf I'd listen  
What my father said  
Wouldn't have such confusion  
In my aching headFare thee well, oh honey  
Fare thee wellOne day soon  
And it won't be long  
Someone will call my name  
And I'll be goneFare thee well, oh honey  
Fare thee wellAll last night  
In a drizzling rain  
All around my heart  
Was an aching painFare thee well, oh honey  
Fare thee wellIf I had wings  
Like Noah's dove  
I'd fly up the river  
To the one I loveFare thee well, oh honey  
Fare thee wellFare thee well, oh honey  
Fare thee well
