Midnight Man (Single Version)

Sandra

Strangers
Talkin' bout my life
Changes
They're gonna take my sideRevelation
In a station
Is followin' a man
An' right in this moment
I'm in torment
Hear your voice againI say man
You're my midnight man
Can't escape your voice on the radio
I try it but i can't
For i need you badly
Man
You're my midnight man
Hold me in your spider webMidnight manRages
Tearin' up my mind
Pages
I'm skimmin' to kill timeFar 'till morning
Hear a warning
From the borderline
An' right in this moment
I'm in torment
Hear your voice againI say man
You're my midnight man
Can't escape your voice on the radio
I try it but i can't
For i need you badly
Man
You're my midnight man
Hold me in your spider web
Midnight man
