## You Are Not Alone

## **Mavis Staples**

You're not alone I'm with you, I'm lonely too What's that song Can't be sung by two? A broken home, a broken heart Isolated and afraid Open up this is a raid I wanna get it through to you You're not alone You're not alone, every night I stand in your place Every tear on every face Tastes the sameA broken dream, a broken heart Isolated and afraid Open up this is a raid I wanna get it through to you You're not aloneAn open hand, an open heart There's no need to be afraid Open up this is a raid I wanna get it through to you You're not aloneI wanna get it through to you You're not alone I'm gonna get it through to you You're not alone
