Set It Off (feat. Snoop Dogg)

Daz Dillinger

we about to set it off, getting to some gangster shit
Are motherfuckers ready, I said, motherfucker are you readyIt's going down motherfucker yes
50 pounds of kush I get paid because I did enough
That's the wrong way motherfucker ya I did it all
Pussy ass niggers over there y'all niggers sour
nigger get a border of command
niggers get ready stand for the fuck a time
Don't you know that is me and my cousin, big Snoop
motherfucker we buzin'
Got the streets on fire yeah we burnin' down the block
champs in the
just like the 4th of July, fireworks letting off and more niggers will die
crime motherfucker it's too late for that
Get your have some feeling smoke some weed and
When it's all said and done I said I told you so
So motherfucker, let's go blow off a bluntYou know I stay on the grind, you know I bust with that knife
You know I stay with the weed, you know I got what you need
You know I stay on the grind, you know I bust with that knife
You know I stay with the weed, you know I got what you needBetter hold on tight, with all your might
Cause snoop dogg is on the mike and I'm rocking tight
I came through the do might do them all draped in blue
I stand tall I'm on the ball, who is that doggy dog?
I got hoes everywhere, every time that I step
I got my I got my tub under my
I'm so smooth if I pull through the lbc
I'm so tragical, radical, classical, mechanical, dramatical, magical
Move with it, move with it, letshould be give me the
I see you suckers popping at their mouth
I see some niggers running out, I see niggers dropping out
We gonna pop them we gonna bust them, we gonna hit them, hit them, touch them
We gonna end all discussion, we gonna rush the, we gonna rush them
We gonna pop them we gonna bust them, we gonna hit them, we gonna touch them
We gonna end all discussion, we gonna rush the, we gonna rush themYou know I stay on the grind, you know I bust with that knife
You know I stay with the weed, you know I got what you need
You know I stay on the grind, you know I bust with that knife
You know I stay with the weed, you know I got what you needone og, heads to the e, double double o v
That nigger to the z
And we be nothing but be gees

We piss on niggers and we squeeze on hoes
When we step through the doors everybody exposed
smooth like a nigger lay
I'm in this motherfucker we will shoot you, nothing to explainAnd then I put that fucking bullet through your motherfucking brain
Extract the up, cane
shout out to the real killers, dope dealers and and all of them real niggers
Ain't no words to explain it simple and done
Now there's over with it nigger, this side of west was onYou know I stay on the grind, you know I bust with that knife
You know I stay with the weed, you know I got what you need
You know I stay on the grind, you know I bust with that knife
You know I stay with the weed, you know I got what you need.
