

More Than Anything in This World

Lenny Kravitz

More than anything in this world
I just want you to be my woman
More than anything in this world
I wanna be your man
Hey! I'd walk through fire
Stand in the rain
I'll go to hell and back
On a plane
I'd scale the mountains
Swim the seas
I beg for mercy
Down on my knees More than anything in this world
I just want you to be my woman
More than anything in this world
I wanna be your man
Hey! I caused you sorrow
I've caused you pain
But love is all we, will have to gain
I searched the whole world, oh oh I
And I want you to be my baby, baby
Hey hey hey More than anything in this world
I just want you to be my woman
More than anything in this world
I wanna be your man
Hey More than anything in this world
I just want you to be my woman
More than anything in this world
I wanna be your man
Hey More than anything in the world
More than anything in the world
I want you, hey hey More than anything in this world
I wanna be your man
Hoo
More than anything in this world
I wanna be your man, yeah Anything
Anything
Anything
