Run Run Run

Celeste Buckingham

All is fair in love and war
But all I do is love you more
Our love is crazy, unhealthy
But I can't keep from you babySo you said "Why even bother?
Set this love, set me on fire"
How I wish you'd be the victim
So you'd see just how I'm feelingYou better know, know, know
That I have conditions
I make the rules
And make the decisions
And I, I, I want nothing less than
What I deserveSo you better run, run, run
Before I decide that you are mine
Two stars will collide
You better run, run, run
Nowhere to run but to meSomehow I don't get the picture
Don't know why you are the winner
Our love is not what we wanted
But baby you finish just what you startedSo you said "Why even bother?
Set this love, set me on fire"
How I wish you'd know me better
So you'd see that I'm the trendsetterYou better know, know, know
That I have conditions
I make the rules
And make the decisions
And I, I, I want nothing less than
What I deserveSo you better run, run, run
Before I decide that you are mine
Two stars will collide
You better run, run, run
Nowhere to run but to meYou are the cause of all this pain
And you are the reason I'm upset
You are the cause of all this pain
But you are the cause of all this love
You are the thing I can't forgetYou better know, know, know
That I have conditions
I make the rules
And make the decisions
And I, I, I want nothing less than

What I deserveSo you better run, run, run
Before I decide that you are mine
Two stars will collide
You better run, run, run
Nowhere to run but to meYou better know, know, know
That I have conditions
I make the rules
And make the decisions
And I, I, I want nothing less than
What I deserveSo you better run, run, run
Before I decide that you are mine
Two stars will collide
You better run, run, run
Nowhere to run but to meYou better know, know, know
That I have conditions
I make the rules
And make the decisions
And I, I, I want nothing less than
What I deserveSo you better run, run, run
Before I decide that you are mine
Two stars will collide
You better run, run, run
Nowhere to run but to me
