

My Eyes

DIO

My eyes can see inside tomorrow
My eyes can get next to you
Time flies on wings that just get stronger
My eyes are trueMy eyes could see the body shakin'
Oh my eyes were clear and bright
Goodbyes are easy to remember
You can see the hurt still there in my eyesI've fallen off the edge of the world
I've fallen from the top of the mountain
Just to rise againI've seen it from heaven and hell
Seen it from the eyes of a stargazer
I want to be invisible, just get me out of here
Could the dreamer be turning to stone, ohRock and roll eyes
The color of rainbows, believer of lies
Rock and roll eyes, my eyesDon't want to see the end of it all
Just get me outta here
Just get me outta here
Just get me outta hereRock and roll eyes
The keeper of rainbows, collector of lies
Rock and roll eyes, yeahNow rock and roll eyes tell rock and roll lies
And rock and roll lies never end
Rock and roll friends with rock and roll trends
Rock and roll ends with my eyes
