Oliver's Army

Raimundos

Don't start that talking
I could talk all night
My mind goes sleep walkin'
While I'm puttin' the world to right
Call careers information
Got yourself an occupation
Oliver's army is here to stay
Oliver's army are on their way
And I would rather be anywhere else
Than here today
There was a checkpoint Charlie
He didn't pack a smile
But it's no laughing party
When you've been on the murder mile
Only takes one inch of trigger
One more widow, one less white nigger
Oliver's army is here to stay
Oliver's army are on their way
And I would rather be anywhere else
Than here today
Hong Kong is up for grabs
London is full of ab's
We could be in Palestine
Overrun by the chinese line
With the boys from the mersey
And the thames and the tyne
But there's no danger
It's a professional carrer
Though it could be arranged
With just a word in Mr. Churchill's ear
If you're out of luck or out of work
We could send you to Johannesburg
Oliver's army is here to stay
Oliver's army are on their way
And I would rather be anywhere else
Than here today
And I would rather be anywhere else
Than here today
And I would rather be...
