Business

Brian May

Don't judge me mama
Don't tell me that I've done wrong
It's a hard business
It's a hard business to make it on your ownDon't judge me papa
If I can't handle the things in my head
Because it's a hard business
Such a hard business walking on the edgeI got nothing and no-one in my life
So how can I lose again
Got my feet in muddy water
But I'm gonna find that road againSo I'll be taking care of business
'Cause I know what I'm looking for
Oh I've been working every hour God gives to man
But I still see the same closed doorI've got nothing but trouble in my life
But I feel I've got a lot to give
Every day I try to build a new world
But I've had no-one to build it withOh I've been looking for a woman to share my hopes
But I know I ain't a patch on you
And I've been thinking that a woman's God's gift to man
Are you thinking the same way tooSo don't leave me mama
Don't make me go on alone
Because it's a hard business
Yes it's a hard business, ooohDon't leave me papa
When my belief in myself is gone
Because it's a hard business
Such a hard businessTell me, it's a hard business
Being on my own
