

Give Me The Reason

Luther Vandross

What's there to say, there's not much to talk about
And whatever happened to all of the love that we vowed

Yes, it's true

And there's nothing new you can say
Give me the reason to want you back

Why should I love you again?

Do you know? Tell me how

How to forgive and forget?

Give me the reason to love you now

It's been a mighty long time

And the love that used to be

Ended the day you walked out

Never knew I'd ever be

Standing a love and outside with no one to love

I was secure and so glad there was you to love

What in the world would I ever do without us?

But it's getting clear

That I have to get over you

Give me the reason to want you back

And why should I love you again?

Do you know? Tell me how

How to forgive and forget?

Give me the reason to love you now

It's been a mighty long time

And the love that used to be

Ended the day you walked out

Never knew I'd ever be

Standing a love and outside with no one to love

No one, no one to love

No one, no one to love

No one, no one to love

No one, no one to love

Give me the reason to want you back

Why should I love you again?

Do you know? Tell me how

How to forgive and forget?

Give me the reason to love you now

It's been a mighty long time

And the love that used to be
Ended the day you walked out
Give me the reason
To love you, girl, to love you, girl
To love you, girl, to love you, girl
To love you, girl, to love you, girl, to love you, girl
Give me the reason
To love you, girl, to love you, girl
To love you, girl, to love you, girl
To love you, girl, to love you, girl
To love you, girl
To love you, girl
To love you, girl
