Lee Ritenour

Forever You will be.
Exactly what I need.
to make sense of it
to make the pieces fit
You help me see it through.
oooh. I need You
there's no place I could ever find
that gives me such peace of mind
and makes me easy . free and easy
there's no place that I've ever been
that touches me within . quite like You do
HOW I LOVE YOU
yes I do
