Good Head

Turbonegro

Good head
Oh oh oh oh oh ohSweeping floors at the mill all day
Dropped out of school just to get away
I'm just a kid but I'll soon be dead
And all I want is some good headGood head
Oh oh oh oh oh ohFlipping pizzas on a Saturday night
Classy asses to the left and right
Have you ever been laid, she said
Fuck you, I'd rather have some good head
