Bad Girls Club

Falling in Reverse

I met a girl and I really thought she liked me.
I truly thought that I had met the one.
It was a fail, to no avail.
I'm just another victim of the bad girls club.She's like a witch, casting spells, hypnotizing.
She made me drink a potion just to fall in love.
She got me drunk, tipsy of her love.
I'm just another victim of the bad girls club.She's always blowing up my phone.
I really wish that she'd leave me alone.
I gotta change my number,
It's hard for me to slumber when she's outside my home.
She called the cops, and made it seem like I was mean.
She's not your average lady, she's f*cking crazy.
Spelled C-U-N-T (b*tch)And after all, the rise and fall.
You're not worth my time.I'm c-c-calling it quits,
Right now, this time.
You're playing games and,
All we do is fight.
It's getting late so olly-olly-olly-oxen free,
All the bad girls come cheer with me.
Love's a drug that got me on the run.
I'm just another victim of the bad girls club.I'm always paranoid,
That she's somehow watching me.
Follows me on Twitter, asking if I miss her,
Hashtag #setmefree.
She googles my name, just to keep some tabs on me.
She's not your average lady, she's f*cking crazy.
Someone help me please.And after all, the rise and fall.
You're not worth my time.I'm c-c-calling it quits,
Right now, this time.
You're playing games and,
All we do is fight.
It's getting late so olly-olly-olly-oxen free,
All the bad girls come cheer with me.
Love's a drug that got me on the run.
I'm just another victim of the bad girls club.Alright, alright, alright, settle down, settle down.
I need all my bad girls in the house tonight to help me do a cheer.
It goes: one, two, three, fourHey sexy boy, I got you wrapped around my finger.
L-O-V-E really doesn't mean much.
Your love is like a drug,

But it is not enough.
Give me a B-A-D, we're the bad girls club.
[x2]I'm c-c-calling it quits,
Right now, this time.
You're playing games and,
All we do is fight.
It's getting late so olly-olly-olly-oxen free,
All the bad girls come cheer with me.
Love's a drug that got me on the run.
I'm just another victim of the bad girls club.I'm just another victim of the bad girls club.
I'm just another victim of the bad girls club.
