Excuse My French

2 Be 3

She adore she adore,
When you walk through the door
Vule vu vule vu,
I wanna be with you
Cest la vie cest la vie,
You were made for me,
(Ah, ah, ah, ah)The time is now and this is the night
I'm gonna make my move get everything right
I'll call you sweetie pea with champagne on ice
I'll be your sugar and spice and everything nice
I may not be what you had in mind
But if I get my act together it's just a matter timeI'm gonna tap on your shoulder
I'm from a long time to hold ya
Showin' you that you need a lover
Who can be a smooth, better man
So fine that I'll drive you crazy
That way I'll make you my baby
Dang girl excuse my french
I can't believe how good you look to me
Dang girl excuse my french
I can't believe how good you look to meWell here we are movin' to the beat
I feel like Fred Astaire but with two left feet
I seem to fall flat on my face
'Cause when it comes to love I feel so out of place
I'm trying to be the man of your dreams
But every time I look at you I come and fall out it seemsI'm gonna tap on your shoulder
I'm from a long time to hold ya
Showin' you that you need a lover
Who can be a smooth, better man
So fine that I'll drive you crazy
That way I'll make you my baby
Dang girl excuse my french
I can't believe how good you look to me
Dang girl excuse my french
I can't believe how good you look to meDon't be afraid of me
I'm just a diamond in the rough
Girl shinin' for your loveShe adore she adore,
When you walk through the door
Vule vu vule vu,

I wanna be with you
Cest la vie cest la vie,
You were made for me
(Ah, ah, ah, ah)I'm gonna tap on your shoulder
I'm from a long time to hold ya
Showing you that you need a lover
Who can be a smooth, better man
So fine that I'll drive you crazy
That way I'll make you my baby
Dang girl excuse my french
I can't believe how good you look to me
Dang girl excuse my french
I can't believe how good you look to meCan't believe how good you look to me
