Whiteout

Pitchshifter

Perfect, your pictures, your lies
Promises can't reason can't hide
On and on (keep moving keep tight)
Cheated, I've seen it I know
Beaten keep moving keep slow
I feel so; whiteout, it's beaten, wasted, no, no
Option? No option I know
Twisted can't function feels slow
On and on (keep moving keep tight)
Cheated, I've seen it I know
Beaten keep moving keep slow
I feel so; whiteout, it's beaten, wasted, no, no
Cheated (you're cheated) I know, I know
Beaten (I feel it) feels so feels so
I feel so; whiteout, it's beaten, wasted, no, no
