

# True Love

Coldplay

For a second, I was in control  
I had it once, I lost it though  
And all along the fire below would rise And I wish you could have let me know  
What's really going on below  
I've lost you now, you let me go but one last time Tell me you love me, if you don't then lie, oh lie to  
me Remember once upon a time, when I was yours and you were blind  
The fire would sparkle in your eyes and mine So tell me you love me, if you don't then lie, oh lie to me  
Just tell me you love, if you don't then lie, oh lie to me  
If you don't then lie, oh lie to me  
And call it true, call it true love  
Call it true, call it true love
