

# Crazy Babies

## Ozzy Osbourne

Crazy

BabiesCrazy babies never say die  
Born to live on a permanent high  
Flying high above the world below

They'd better come down soon or everyone will know just whyNobody's gonna change them, change them

They've gone over the top  
Nobody's gonna tame them, tame them  
They're never gonna stopWalk that walk  
Talk that talk  
Walk that walk  
Talk that talkCrazy

BabiesWhen they were born they were born to be wild  
Some say, "I'm another devil's child"  
Crazy babies in a world of their own

I am a crazy baby, you'd better leave me alone tonightNobody's gonna change me, change me

I'm gonna do it 'til I die  
Nobody's gonna tame me, tame me  
So you better not tryWalk that walk  
Talk that talk  
Walk that walk  
Talk that talkCrazy

BabiesNo use talkin' 'bout if they'll last  
Where they're goin' or about their past  
They're just the result of our society

So frustrated just like you and me, that's rightNobody's gonna change them, change them

They've gone over the top  
Nobody's gonna tame them, tame them  
They're never gonna stopWalk that walk  
Talk that talk  
Walk that walk  
Talk that talk
