

# STARING AT THE SKY

## XXXTENTACION

Ahem

Yeah I was staring at the sky  
Singin' toxic lullabies  
I was starin' at the sky  
Screaming words with no remorse  
Pitchforks pointed at my heart  
I was staring at the sky Run from your pain!  
Run from your pain!  
Run from your pain!  
Run from your pain!  
I was staring at the sky  
Singin' toxic lullabies  
I was starin' at the sky
